WHY HUSQVARNA® VIKING® NEEDLES

Husqvarna® VIKING®

92% OF CONSUMERS PREFER THE **SAME BRAND OF ACCESSORIES** AS THEIR HUSQVARNA® VIKING® MACHINE

1 STRONGER STEEL

Stronger needles last longer and **stay sharp longer**, to stitch cleanly through any material.

2 SUPERIOR NEEDLE STIFFNESS

High quality cold forged steel sewing machine needles are **manufactured with an exclusive flow pressing technique**.

This delivers **incomparable bendability** to **avoid needle breakage** and **skipped stitches.**

3 THREADING EASE

Larger needle eye allows for an **easier, faster,** and more **satisfying threading experience**.

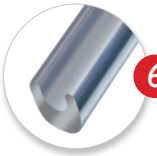
4 INSERT EASE

Needle head makes it **easy to insert into your machine**.

5 SMOOTH THREAD HANDLING

Perfectly rounded edges, eye and **grooves**.

You will have **100% burr free protection** with your threads and fabrics while sewing.



6 SHAPE RESILIENCE

Exclusive **Delta-U needle groove** delivers more **extreme needle bendability**.

Your needle will **rebound to shape, producing a more accurate stitch.**

7 STITCH INTEGRITY

Proprietary CAE (Clearance Above Eye) needle design improves the **thread-catching clearance.**

You'll experience **fewer skipped stitches** and **less risk of collision with the bobbin case.**

8 TWIN NEEDLES: STRONGER BONDING

Twin needles are **welded together for a stronger bond**.

Welded twin needles **last longer** and **perform better** with **fewer skipped stitches.**

6-8

HUSQVARNA® VIKING® recommends to change your needle every 6-8 hours of sewing and/or type of fabric.

NEEDLE WALL DISPLAY:

DISPLAY ITEM #920735096
PRODUCT FILL ITEM #920699096

Holds 3 of each 70 skus for a total of 210 Needles

42.5" x 40" x 3" (W x H x D)

NEEDLE COUNTER DISPLAY:

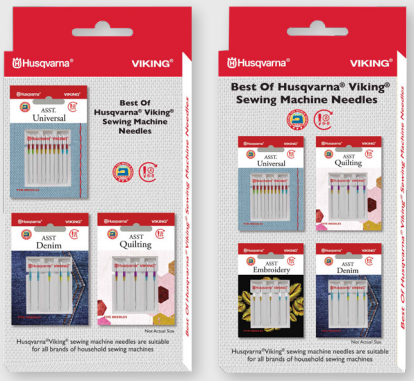
DISPLAY ITEM #920736096
PRODUCT FILL ITEM #920700096

Holds 4 of each 30 skus for a total of 120 Needles

7.8" x 22" x 7.8" (W x H x D)

NEEDLE BUNDLE PACK:

HV BEST OF 3 PACK - ITEM #: 920729096
HV BEST OF 4 PACK - ITEM #: 920728096



3.7" x 7.4" x .55"
(W x H x D)

ALL ITEMS SHOWN ABOVE AVAILABLE APRIL 15, 2022
